

XL-333 Liquid Extraction Detergent (S825)

Economical, dissolves instantly, phosphate-free

FOR PROFESSIONAL USE ONLY

Liquid extraction detergent for portable or truckmount extraction

APPLICATION: Extraction Detergent

DESCRIPTION

XL-333 delivers powerful carpet extraction cleaning in an easy-to-use liquid. Builders and detergents plus high-quality solvents quickly cut through tough soil. XL-333 is powerful enough for commercial building and restaurant carpets yet is safe for residential carpet. Economical to use with its 1:320 dilution rate. Mixes quickly and easily, ideal for portable extractors and sensitive truckmount metering systems. Quickly removes dry and oily soils that other detergents leave behind. Cleans in hot, warm and cold water. Phosphate-free. Meets specifications for use on stain-resistant carpet.

FEATURES

- Powerful cleaner for residential and commercial carpets
- Quickly cuts heavy, greasy soils
- Meets specifications for use on stain-resistant carpet
- Dissolves instantly, ideal for both portable and truckmount extractors
- Cleans well in cold water
- Phosphate-free formula
- Contains corrosion inhibitor to protect equipment

WHERE TO USE

Commercial carpet: Office buildings, stores, restaurants, car dealers, schools, universities, hospitals, anywhere there is dirty carpet!

Residential carpet: Homes, apartments, townhouses, anywhere your customer wants the best in carpet cleaning!

USE DILUTION:

Portable: 2 oz / 5 gallons

Truckmount: 1 quart / 5 gallons

USE DIRECTIONS:

Pre-test for colorfastness in an inconspicuous location.

Portable: Mix 2 ounces per 5 gallons of water (1:320 dilution).

Truckmount: Mix 1 quart (32 ounces) into 5 gallons of water to make truckmount concentrate for use in chemical injection system. Meter at 2 - 4 gallons per hour.

COVERAGE: Makes up to 320 ready-to-use gallons. One ready-to-use gallon cleans approximately 400 square feet. Coverage will vary depending on soil level and thickness and absorbency of carpet.

• USAGE TIPS:

- Ideal for portable extractors - Easy to mix, dissolves completely!
- Low residue minimizes re-soiling.
- Reliable performance in sensitive truckmount metering systems.
